

# Waterproofs

With winter well on its way, there's never been a better time to invest in a new set of waterproofs. LG equipment expert Madeleine Winnett has tested some of the best

## Galvin Green

### Anya jacket and Alva trousers

- Laminated Gore-Tex membrane for durable protection, plus highly breathable material enables excess heat and moisture to be released

SRP: £249 (Anya jacket); £199 (Alva trousers)

LG verdict: IMMEDIATELY when you put it on, it looks like quality, and feels like quality. Yes, it is expensive but it will never let you down. I love the colour of the jacket, the soft collar with chin guard and the long back. Good cut trousers with narrow legs and knee length zips.
